

**COMING TO RIVER FALLS  
MARCH 6th 2015!**

The original and preeminent exhibition of fly fishing cinema, The F3T is a one of a kind experience. Each year fishy folk of all ages gather at premieres to soak up films from around the world, spin a few yarns amongst friends and dream about casts still unmade. If you've been, you know what we're talking about. If you haven't, we hope to see you soon

## Become a Local Sponsor

We need your help to bring the nationally recognized F3T Fly Fishing Film Tour to River Falls again this year. Last year we hosted the film tour in a 165 seat theater which sold out in less than two weeks. The goal this year is to bring the same excitement and energy that F3T brings, to a larger venue. The larger Riverview Ballroom on the UWRF Campus will help accommodate all those who missed out last year while raising additional funds to conserve and protect the beauty and health of the Kinnickinnic River and its watershed.
